

**ROGER AND ROBIN HARSH** have been working in the Czech Republic since 1991. They met while serving as single missionaries. Both Roger and Robin smuggled Bibles and Christian literature into Central and Eastern Europe under Communism during the 1980's, although they never met during that time. But they met for the first time in 1993 and were married in Prague in 1995. They now have two children, Elizabeth and Josiah.

Roger and Robin Harsh are missionaries sent out by Judah Christian Community in Columbus, Ohio. They are working with YWAM in the Czech Republic and Eastern Europe.

**PRAY FOR THE HARSHEs.** The most important part of their work is prayer, because through prayer, God will give them wisdom for the work they are doing.

**COME AND VISIT.** You can see first hand some of the work they involved in, and maybe come and join them.

**BRING A TEAM TO CZECH.** There are many opportunities to serve with the Harshes through team ministry.

**INVEST.** Any amount of financial support helps further the work of God.

**SERVING WITH YWAM**

**IN THE CZECH REPUBLIC**

**touching the nations**

**Building up**  
**Reaching out**

We, Roger and Robin, believe that God is awakening the Czech people to their rich Christian heritage, which started with John Hus in the 15th century. “We believe that they will once again touch the nations with the love of Christ.”

## BUILDING UP & REACHING OUT

**ONE OF THE MAJOR** aspects of our ministry in the Czech Republic is Building up the Church. We encourage and strengthen the church by teaching the Marriage Course and the Marriage Preparation Course. We are also recruiting other couples to teach these courses. Our desire is to see people grow and mature in Christ, so that God's purposes will be fulfilled in and through His people. We are also preaching, teaching and leading workshops on various topics that build up the church. During the Summer months we are available to teach marriage and family seminars at church camps.

**MARRIAGE & FAMILY** We are involved in marriage ministry, because of the marriage breakdown in the Czech Republic. We lead the “Marriage Preparation Course” and the “Marriage Course” which teaches relationship building principals and the power of forgiveness. These courses are a part of the, “Alfa Course” curriculum. We have been involved with “National Marriage Week” since 2007. It promotes the benefits of marriage. Stronger marriages bring economic stability to individuals and to the nation, and provides the best environment for thriving children.

**SUMMER CAMPS** We have been involved with several different summer camps through the years. We do a number of different activities at these camps from teaching seminars on dating and marriage to organizing recreation and games. The camps are also good for networking with other pastors and leaders.

**PASTORS & PREACHING** We are involved with empowering and mentoring pastors, and encouraging their congregations to be salt and light in their communities.

**UKRAINE** We take teams to the Ukraine to minister among the Gypsies (Roma People). Roger has been working in the same area of Ukraine since 1993, and has built a good working relationship with many of the pastors and churches. We travel to Ukraine at least twice a year. This has built vision and a calling into many of the people we take. While in Ukraine we minister to and pray with pastors who need encouragement.

**BY REACHING OUT** we are showing God's love to all people no matter what nationality or ethnic background. We reach out through short term missions teams to the Czech Republic and Ukraine. We have had short term teams come from every continent. These teams have done a variety of different ministries including ministering on the streets to teaching English as a second language, and constructing a fence in a Ukrainian village. The main focus of each team is to lead people into a relationship with Jesus Christ in whatever environment they work in.

**SHORT TERM TEAMS** We receive short term teams from many different nations. Each team has different gifting. Some address human trafficking, others have a vision for teaching. Still others will minister to snow boarders and others to tourists. Evangelism is what they all have in common.

**EVANGELISTIC OUTREACHES** We believe that evangelism is the main calling of the church today. We enjoy taking teams on evangelistic outreaches. We love sharing the “Good News” with anyone who is willing to listen. Jesus' last command must be our first action. Go make disciples of all nations.
